Subject: Upcoming MAGIC Meeting

Christine,
HATS (Hanscom Area Towns-Lexington, Lincoln, Bedford & Concord) recently hosted our Town Managers and Administrators to discuss this very subject (Regionalization of Services).
In advance of the meeting, we asked the Managers and Administrators to compile a list of what they were already doing, what regionalization and shared programs were in place.

Their lists were very impressive.

I would suggest a similar exercise be done prior to the MAGIC meeting in Feb.
This will offer a baseline and lists of what is already in place.

Then a presentation from MAPC that might see where there are gaps and/or opportunities for some more creativity would be helpful.

Budget challenges have had many of us implementing a variety approaches to regionalization for some time.
Some of the creative work of our town professional staffs might surprise MAPC.

Best,
Sara Mattes
Selectman, Town of Lincoln
